

# **AusPat - System Requirements**

---

AusPat requires

- Internet Explorer 6.0 (or other modern browser)
- Adobe Acrobat 6.0 or later
- Cookies enabled
- A minimum screen size of 800 x 600.

To take advantage of all the features of AusPat you'll also need to have JavaScript enabled.

## **What if I have an older browser?**

If you have an older browser you may not see content on the screen formatted as you would expect.

## **What if I have Cookies disabled?**

If you don't have Cookies enabled you won't be able to use AusPat .

## **What if I have JavaScript disabled?**

If you don't have JavaScript enabled you will still be able to use AusPat . However you will experience some difficulties using the advanced functions such as:

- rearrange columns in Search Results,
- the Name selector in Advanced Search
- refining a Structured Search won't work

## **What if I have an earlier version of Adobe Acrobat?**

If you don't have Adobe Acrobat version 6.0 or later, you may not be able to view AusPat pdf documents.
