

Collection of Australian Patent Microfiche and Designs Registrations

IP Australia has been progressively transferring data from paper, fiche and film to electronic form.

The IP Australia Internet Home page at www.ipaustralia.gov.au is our primary mode of information delivery and public access to Australian patents, trade marks and designs documents, with residual unconverted 'hard copy' document gradually being moved from out State Offices to the State Libraries.

State Public holiday information:

http://www.ipaustralia.gov.au/resources/officialnotices_p2006.shtml#27

Canberra Collection

Those customers in Canberra without Internet access can use the Public Access Work Stations in our State Office.
