

Innovation Patent - Request for Examination

Australian Government
IP Australia

Please read the instructions provided or contact IP Australia if you have any questions about filling in this form.
Subject to the Patents Act, information provided on this form may be made publicly available including on the Internet.

Details of the person lodging this form.

Customer Number

Name

If you have forgotten or do not have a Customer Number attach a completed Customer Registration Form.

I declare the information provided on this form and on all attachments is complete and truthful.

Signature Date Your Reference

In reference to Patent Number

(Please select only *one* of the following options)

I request that the complete specification be examined

I am the patentee OR

I am a third party

I request that the complete specification be re-examined. I assert that the invention so far as claimed is not novel, and does not involve an innovative step when compared with the prior art base as it existed before the priority date of those claims.

I am the patentee OR

I am a third party

Attach a statement detailing the claim(s) in question and detailing the documents on which you rely, including evidence of the date and place of publication and the relevance of each document. If any document is not available in the Patents Office provide a copy of that document, and if not in English a translation and certificate of verification of the translation must also be attached.
