To whom it may concern,

This letter is to be read with the other letter I have written regarding the same matter. The purpose of this separate letter is to divulge confidential information which is to be assessed by the examiner but not put on public record.

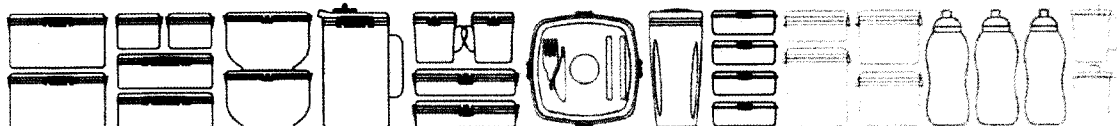

The confidential information concerns the sales figures of containers sold by Sistema Plastics Limited ("Sistema") in Australia from 2001 to 2012 which feature our distinctive clasp.

Total sales of containers by Sistema Plastics Limited in Australia that have featured this distinctive clasp shape are enclosed with this letter.

These figures are wholesale value. A typical retail price for one of these containers is AU\$5.00 depending on the size and shape of the container.
