IMPORTANT: EXTENSIONS OF TIME OF MORE THAN 3 MONTHS FOR ACCEPTANCE OF A TRADE MARK

In relation to S224(5) of the Trade Marks Act 1995, if an application is made for an extension of time of more than 3 months, the Registrar must advertise the application in the official Journal.

Therefore if the request is due to Error/Omission or Special Circumstances an additional 2 months extension fees are payable to cover the advertisement period. This is because the acceptance due date must be extended at least until a time when the Registrar is able to examine the application under s31 and make a decision and therefore this date must be after the end of the advertisement period.

Declaration: (Each paragraph must be numbered consecutively and as far as practical, be confined to one subject.)

1. Our examiner requested further evidence of advertising from media. We have been unable to achieve this in the extension time that has been granted, due to all the departments we have been seeking the information from having Christmas closures. We have some of the information, but are still waiting on several imperative documents. (we have been promised this next week)
2. Our recent extension granted under circumstances beyond our control, was back dated so only gave us less than a week to compile the information needed for our case. And we didn't have all the information for our case.
3. Have asked for 2 months in case there are any more delays, & also giving our examiner time to respond.

If you require more space please attach as many A4 sheets of paper as required. All exhibits must be referred to within the body of the declaration and the last page of the declaration must be dated and signed by the declarant.

I make this declaration conscientiously believing the statements contained in this declaration to be true and correct.
