Customer Service Charter Quarterly Report

October – December 2015

A blurred photograph of a modern office interior with a glass facade and people walking. The image is overlaid with a purple tint.

Robust intellectual property rights delivered efficiently

Customer service charter

Quarterly Report

IP Australia is committed to fulfilling our customer expectations by providing high quality products and services that are of value and valued by our customers. Through monitoring the quality of our products IP Australia is able to demonstrate that it is mindful of quality and customer satisfaction.

Through our Quality Review process we are able to continually monitor, maintain and improve the quality of our products. The results of our performance through the Quality Review process are used to identify opportunities for improvements to practice, processes and training.

Our commitment is reflected in our Quality Policy Statement and our Customer Service Charter sets out the level of service that our customers can expect.

The Customer Service Charter Quarterly Report is a public statement of our commitment to excellence in service delivery. The following is an overview of IP Australia's performance against each of the Customer Service Charter service level commitments for the October – December quarter.

* No design hearings this quarter

Note

Quality Standards Tier 1

Quality Standards that relate to matters which would adversely affect (or have the potential to affect) the validity of the IP Right.

Quality Standards Tier 2

Quality Standards that relate to matters which would require a considerable amount of rework and/or inconvenience to the applicant or IP Australia.

Quality Standards Tier 3

Quality Standards that relate to matters which are important in terms of the overall perception of quality.
