Privacy Notice

The personal information collected on this form is collected for the purposes of the Patents Act 1990 and the Patents Regulations 1991 (www.ipaustralia.gov.au/about-us/publications/ip-legislation/) and is protected by the Privacy Act 1988 (www.comlaw.gov.au/series/c2004a03712).

All personal information you provide on this form is handled in accordance with IP Australia's Privacy Policy (www.ipaustralia.gov.au/about-us/corporate/privacy-policy/).

The Privacy Policy contains relevant information, including:

- how you may seek access to and correction of the personal information we hold;
- how you may make a complaint about a breach of the Privacy Act and how we will deal with your complaint; and
- IP Australia's Privacy Contact Officer details.

Any personal information you provide will be used for the purposes of processing this form. IP Australia may also contact you, using the contact details you have provided, to request your feedback on our products and services.

IP Australia will publish:

- applicant name;
- inventor name;
- address for service;
- address for correspondence; and
- details and history of the patent application

in the Official Journal of Patents, the Register of Patents and the Australian Patent Database (known as AusPat). Once information is available on the internet, IP Australia has no control over its subsequent use and disclosure. You should be aware that the information (including personal information) held in IP Australia's online IP Rights databases is also available on request, subject to our terms and conditions.

As far as your personal information is concerned:

- you may provide a post office box address if you do not want your residential address to be published; and
- if you do not provide the personal information required on the form, IP Australia may not be able to process this form.

IP Australia will not otherwise use or disclose your personal information without your consent, unless authorised or required by or under law.
